

About Passionate Reason

Passionate Reason was formed in 2007 as an online store for showcasing and selling art jewelry, crafts, and gifts, which are carefully selected for quality, originality, and beauty. All the jewelry is hand-made and sent directly from the artist. Passionate Reason believes in adding the small, expressive touches to life which make it richer and more enjoyable.

Passionate Reason takes its cue from nature. The seasons choose what shapes and colors we see outdoors: autumn leaves, summer splashes of color, winter whites. It's up to us to decide what we see inside, and what colors and designs we wear. Art and art jewelry change our surroundings, and they express who we are.

Out of this fascinating and diverse collection, we hope you will find a lot that interests you.
